

phytol kinase

Cat. No. EXWM-3014

Lot. No. (See product label)

Introduction

Description The enzyme is found in plants and photosynthetic algae and is involved in phytol salvage. It can use UTP as an alternative phosphate donor with lower activity.

Synonyms VTE5 (gene name)

Product Information

Form Liquid or lyophilized powder

EC Number EC 2.7.1.182

Reaction CTP + phytol = CDP + phytyl phosphate

Notes This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.

Storage and Shipping Information

Storage Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.
