

## Oenothera biennis oil

*Cat. No. EXTZ-310*

*Lot. No.* (See product label)

### *Introduction*

**Description** Oenothera biennis oil, extracted from the seeds of the plant Oenothera biennis, is widely cited for its high content of unsaturated fatty acids, especially gamma-linoleic acid. Oenothera biennis oil is used as a dietary supplement to relieve diseases such as joint disorders, eczema and dysentery.
