

## MOF Nanozymes

Cat. No. NE036

Lot. No. (See product label)

### Product Information

<b>Size</b>	10 ml
<b>Parameter</b>	1 mg/ml
<b>Terence of Dimension</b>	0.01
<b>Shape</b>	Stripe
<b>Mimic Activity</b>	Superoxide dismutase, peroxidase and catalase.
<b>Description</b>	The MOF cascade nanozymes can be used to treat colitis in mice by eliminating ROS, and also provides a new strategy to construct more functionalized nanozyme biomaterials.
<b>Application</b>	Colitis treatment.
<b>Purity</b>	95%+
<b>Storage Condition</b>	Store at 2-8°C in the dark.
<b>Shelf Life</b>	12 months
<b>Usage</b>	For Research use only.
