

Bergamot Oil

Cat. No. EXTZ-374

Lot. No. (See product label)

Introduction

Description Extracted from the offspring of a lemon and a sour orange, bergamot essential oil has a pleasantly fresh, lemony scent and is pale green in colour. Like other citrus oils it is known to be energising and uplifting, helping to dispel low moods and reduce symptoms of anxiety. Bergamot is recognised for its balancing effect, cancelling out disproportionate emotions and helping us feel content and emotionally stable
Botanical Name: Citrus Bergamia
