

Lime Oil

Cat. No. EXTZ-381

Lot. No. (See product label)

Introduction

Description Lime Oil is steam distilled from the peel of the lime fruit. It is a fresh and zesty oil, which can help lift spirits high and protect the body from harm. Lime oil is said to have an uplifting, invigorating effect as well as strong antibacterial and antiviral abilities, making it an ideal cleaning agent. It is also said to help reduce stress and lift low moods. Botanical Name: Citrus Aurantifolia
