

Hemicellulase from *Aspergillus niger*

Cat. No. NATE-3900

Lot. No. (See product label)

Product Information

Source	Aspergillus niger
Form	Powder
CAS No.	9025-56-3
Activity	0.3-3.0 unit/mg solid
Unit Definition	One unit will produce a relative fluidity change of 1 per 5 minutes using locust bean gum as substrate at pH 4.5 at 40 °C

Storage and Shipping Information

Storage at -20°C
