

# **Alliin**

Cat. No. CEFX-148

Lot. No. (See product label)

### Introduction

**Description** Alliin is an organic compound with molecular formula C6H11NO3S, which is one of the main bioactive

substances in garlic, accounting for 0.6%-2% of the dry weight of garlic. Modern medical research has shown that Alliin has a variety of pharmacological effects, including anti-tumor, blood pressure, antibacterial and toxin killing, scavenging free radicals, liver protection and anti-diabetic and so on. It is a

unique sulfur-containing compound in garlic that has a positive impact on human health.

### **Product Information**

**Appearance** Powder

*CAS No.* 556-27-4;17795-27-6

Molecular

177.22

Weight

# **Usage and Packaging**

**Package** 25KG/Drum with double plastic bag of foodstuff inside

# Storage and Shipping Information

**Storage** 2 years under well storage situation and stored away from direct sun light
