

Extract for Soothing

Cat. No. EXCF-020

Lot. No. (See product label)

Introduction

Description Product composition: Water, Butylene Glycol, Sophora flavescens Root Extract, Glycyrrhiza inflata Root Extract, Scutellaria baicalensis Root Extract This product contains three classic soothing botanical actives, Glycyrrhiza inflata, Glycyrrhiza glabra and Scutellaria baicalensis, which are designed to combat heat, redness and swelling of the skin caused by external stimuli. It has been proven to inhibit the production of 'inflammatory factors' and protect the skin from external damage.

Applications Used in soothing products for sensitive skin.

Synonyms Sophora flavescens Root Extract, Glycyrrhiza inflata Root Extract, Scutellaria baicalensis Root Extract

Product Information

Appearance Light yellow transparent liquid

Form Liquid

Purity Content: $\geq 10.0\%$ Glycyrrhizic Acid Content (HPLC): $\geq 0.6\%$

Optimum pH 5.5-7.5

Function Soothes the skin. Contains a variety of antioxidant ingredients to provide powerful antioxidant protection.

Usage and Packaging

Package 10kg or 25kg/drum

Storage and Shipping Information

Storage 24 months with original packing under 18°C. Store in cool dry place, avoid sunlight and high temperature.
