

Black Caraway Seed Extract

Cat. No. CEFX-324

Lot. No. (See product label)

Introduction

Description Black Caraway Seed Extract, derived from the black cumin seed (*Nigella sativa*), is a highly effective raw material whose active ingredients have been concentrated through advanced extraction techniques. Its core constituents, such as Thymoquinone and Thymol, are widely used in health foods, nutraceuticals and personal care for their excellent antioxidant, anti-inflammatory and immune-supporting properties.

Product Information

Species Nigella Sativa

Source Seed

Appearance Dark brown powder

Purity 10 ratio 1

Usage and Packaging

Package 25KG/Drum with double plastic bag of foodstuff inside

Storage and Shipping Information

Storage 2 years under well storage situation and stored away from direct sun light
