

## **α-Bungarotoxin-Biotin**

*Cat. No. NATZ-108*

*Lot. No. (See product label)*

### **Introduction**

**Description** α-Bungarotoxin-Biotin is a highly pure, natural, and biologically active conjugated peptide toxin.

### **Product Information**

**Source** Bungarus multicinctus (Many-banded krait)

**Form** Lyophilized

**Molecular Weight** 9030 Da

**Purity** 95% (HPLC)

**Targets** α7, α1/β1/γ/δ nAChR, GABA(A) receptor subtypes

### **Storage and Shipping Information**

**Storage** Up to two weeks at 4°C or three months at -20°C.
