

Talinum Extract

Cat. No. CEFX-449

Lot. No. (See product label)

Introduction

Description Talinum paniculatum is a nutrient-rich medicinal plant valued for its antioxidant, anti-inflammatory, and adaptogenic properties. Traditionally used in herbal medicine, the extract is a natural source of flavonoids, saponins, vitamins, and essential minerals, making it a beneficial ingredient for health supplements and functional foods.

Applications Dietary Supplements – Used in capsules, powders, and liquid extracts for general health and vitality. Functional Beverages – Added to herbal teas, energy drinks, and wellness tonics. Traditional & Herbal Medicine – Incorporated into natural remedies for immune and digestive support. Cosmetic & Skincare – Used in formulations for skin protection and anti-aging benefits.

Synonyms Talinum paniculatum; Talinum Extract
