

## BODIPY-Cyclopamine

Cat. No. CEI-0662

Lot. No. (See product label)

### Introduction

**Description** A fluorescent Cyclopamine derivative that retains potency in Shh signaling inhibition (IC<sub>50</sub> = 150 nM).

### Product Information

**Appearance** White to off-white solid

**CAS No.** 334658-24-1

**Molecular Formula** C<sub>49</sub> H<sub>70</sub> BF<sub>2</sub> N<sub>5</sub> O<sub>4</sub>

**Molecular Weight** 442.72

**Purity** >98%

**Targets** SHH

**Solubility** DMSO or Ethanol

### Storage and Shipping Information

**Storage** -20 centigrade

**Shipping Conditions** Gel pack
