

5-Bromo-4-chloro-3-indolyl β -D-glucuronide sodium salt

Cat. No. CSUB-0296

Lot. No. (See product label)

Introduction

Applications Chromogenic substrate for β -glucuronidase (GUS) gene detection.

Synonyms BC-Indicator; X-GlcA; X-glucuronide

Product Information

Form tablet

CAS No. 129541-41-9

Molecular Formula C₁₄H₁₂BrClNaO₇

Molecular Weight 444.59

Solubility deionized water: soluble one tablet, 5 mg/mL

Substrates Glucuronidase, beta- bacterial

Storage and Shipping Information

Storage -20°C
