

Urokinase Substrate I, Colorimetric

Cat. No. CSUB-0533

Lot. No. (See product label)

Introduction

Synonyms z-VGR-pNA

Product Information

Form White to off white lyophilized solid

Formulation Contains 45 mg D-mannitol and 5 mg substrate.

CAS No. 78333-16-1

Purity >95% by HPLC

Toxicity Standard Handling

Substrates Protease

Primary target Urokinase Substrate

Storage and Shipping Information

Storage -20C

Shipping Conditions ambient
