

## 3-(Dimethylamino) benzoic acid

Cat. No. CSUB-0653

Lot. No. (See product label)

### Introduction

**Description** 3-(Dimethylamino) benzoic acid is a Chromogenic substrate.

**Applications** A benzoic acid derivative

### Product Information

**Form** Solid

**CAS No.** 99-64-9

**Molecular Formula** C<sub>9</sub>H<sub>11</sub>NO<sub>2</sub>

**Molecular Weight** 165.19

**Purity** >97%

**Melting Point** 148-150° C (lit.)

**Solubility** Soluble in methanol (50 mg/ml).

**Substrates** Peroxidase

### Storage and Shipping Information

**Storage** Store at room temperature
