

## 3-Acetopropanol-d4

Cat. No. CSUB-0658

Lot. No. (See product label)

### Introduction

**Description** 3-Acetopropanol-d4 is a substrate for alcohol dehydrogenase.

**Applications** A substrate for alcohol dehydrogenase

### Product Information

**CAS No.** 1215544-11-8

**Molecular Formula** C<sub>5</sub>H<sub>6</sub>D<sub>4</sub>O<sub>2</sub>

**Molecular Weight** 106.16

**Solubility** Soluble in Chloroform, Dichloromethane and Methanol

**Substrates** Alkaline phosphatase

### Storage and Shipping Information

**Storage** Store at -20° C
