

## Cdc25C (Ser 216)

*Cat. No.* CSUB-0772

*Lot. No.* (See product label)

### ***Introduction***

***Description*** Cdc25C (Ser 216) is the substrate suitable for kinase assays, also a substrate for ERK 2 and CKII,

***Applications*** A substrate suitable for kinase assays

### ***Product Information***

***Substrates*** Kinase; ERK 2
