

## Egg Trans PE

Cat. No. PHOZ-172

Lot. No. (See product label)

### Introduction

**Synonyms** L-alpha-Phosphatidylethanolamine Transphosphatidylated (prepared from Egg PC)

### Product Information

**CAS No.** 383907-63-9

**Chemical Name** L- $\alpha$ -phosphatidylethanolamine, transphosphatidylated (Egg, Chicken)

**Molecular Weight** 726.076 (average based on fatty acid distribution in product)

**Purity** >99%

### Storage and Shipping Information

**Storage** -20°C

**Stability** 6 Months
