

C8 PEG5000 Ceramide

Cat. No. PCNZ-021

Lot. No. (See product label)

Product Information

| | |
|-------------------------|---|
| CAS No. | 212116-76-2 |
| Chemical Name | N-octanoyl-sphingosine-1-{succinyl[methoxy(polyethylene glycol)5000]} |
| Molecular Weight | 5517.727 (average MW due to polydispersity of PEG) |
| Purity | >99% |

Storage and Shipping Information

| | |
|------------------|--------|
| Storage | -20°C |
| Stability | 1 Year |
